Report on Dhammachakra Pravartan Day

Report:

Dhammachakra Pravartan Day, also known as Dhamma Chakra Day is a significant Buddhist observance that commemorates the historic event of the Buddha's first sermon. It falls on the full moon day of Asadha (usually in July) according to the Buddhist lunar calendar. The day holds great importance in the Buddhist tradition as it marks the beginning of the Buddha's teaching journey, which is considered the turning point in the spread of Buddhism. Dhammachakra Pravartan Day marks the occasion when Gautama Buddha, after attaining enlightenment under the Bodhi tree in Bodh Gaya, made his way to Sarnath, a city in present-day Uttar Pradesh, India. There, he delivered his first sermon to five ascetics who had previously been his companions during his days of severe asceticism. The sermon, known as the "Dhammacakkappavattana Sutta" or "Setting the Wheel of Dhamma in Motion," expounded the Four Noble Truths and the Eightfold Path, which form the fundamental teachings of Buddhism. During the sermon, the Buddha explained the nature of suffering (dukkha), its causes, the possibility of its cessation, and the path that leads to liberation and enlightenment. This pivotal event is considered the foundation of Buddhist teachings and is often referred to as the "Turning of the Wheel of Dharma."

Department of Pali & Prakrit organizing Dhammachakra Pravartan Day which concluded under the guidance of College Principal Dr Nilesh Gawande. The program was chaired by Dr. P. R. Gaikwad was present. Shri P.S. Shimbre was present as the chief guest. On this occasion, Dr. P. R. Gaikwad introduce the important about Dhammachakra Pravartan Day. The introduction of the program was done by Dr. R. V. India Income Tax Awareness Program : A Report

Report:

Department of Commerce has celebrated India Income Tax Awareness Program on 24th July 2023 under the guidance of Principal Dr. N.N. Gawande. Asst. Prof. Dr. R. P. Kitke has given introductory speech. Asst. Prof. & Head Dept of Commerce Dr. P. P. Thakare has explained The India Income Tax Awareness Program was a comprehensive initiative launched by the Government of India to raise awareness about income tax regulations, promote tax compliance, and enhance financial literacy among taxpayers. The program aimed to inform citizens about their tax obligations, simplify the tax filing process, and encourage voluntary tax compliance. He commented that student should be alert, creative and sensible.

Dr. S. R. Gawai, Dept of English in his presidential speech he said that The India Income Tax Awareness Program proved to be an effective initiative in promoting tax awareness, enhancing compliance, and simplifying the tax filing process. By equipping taxpayers with the knowledge and tools they needed, the program facilitated a smoother tax administration and strengthened the country's financial system. Continued efforts in this direction are crucial to maintaining the positive impact and building a more tax-conscious and financially literate society in India.

Dr. A. S. Ghayal gave a detailed guideline on "Filing tax return: Educating participants about the process of filing tax returns accurately and on time to avoid penalties and interest charges, To understanding tax laws, Tax Planning etc.

Dr. S. S. Gawai has performed anchoring in the program and Dr. A. B. Ghukse has given vote of thanks. So many students and teaching faculty were present for the program.

Workshop Report: Empowering Women in the Field of Life Sciences

Date: 8 August 2023

Venue: Seminar Hall

Organizers: Department of Zoology, Late B. S. Arts, Prof N. G. Science & A. G. Commerce College, Sakharkherda.

Theme: Empowering Women in the Field of Life Sciences

Workshop Objectives: The workshop aimed to inspire and empower women in the life sciences by providing them with valuable insights, skills, and resources to excel in their careers, overcome challenges, and contribute to advance their careers, overcome challenges, and thrive in a competitive professional environment.

Participants: The workshop attracted 51 participants from diverse backgrounds within the life sciences field. Participants ranged in experience from early-career to seasoned experts.

Agenda:

1. Opening Session (9:00 AM - 9:30 AM):

- Welcome address by Dr. P. R. Gaikwad, Department of Zoology Workshop Organizer
- Introduction to the workshop theme and objectives

2. Session 1: Keynote Address (9:30 AM - 11:30 AM):

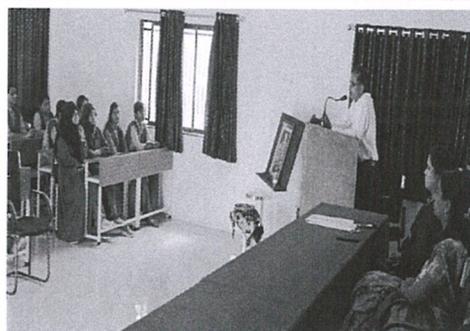

- Keynote speech by Miss. Shital G Sagane
- Sharing personal journey and insights into women's empowerment in life sciences. Discussion on various career opportunities for women in the life sciences field. The life sciences encompass a wide range of disciplines, including biology, biochemistry, genetics, biotechnology, pharmaceuticals, environmental science, and more. Women have made significant contributions to these fields and have a plethora of career options to explore:

1. **Research Scientist:** Women can pursue roles as research scientists in academic institutions, research organizations, and private companies. They contribute to cutting-edge research, conducting experiments, analyzing data, and publishing their findings.
2. **Academician/Professor:** Many women excel in academia as professors, lecturers, or researchers. They teach and mentor students while conducting research in universities and research institutions.
3. **Clinical Researcher:** Women can work in clinical research, conducting trials and studies to develop new treatments, therapies, and medical devices.
4. **Pharmaceutical Industry:** The pharmaceutical industry offers opportunities for women in drug discovery, development, clinical trials, regulatory affairs, quality control, and sales and marketing.
5. **Biotechnology Entrepreneur:** Women can establish their own biotechnology startups, focusing on innovative solutions such as personalized medicine, genetic engineering, and bioinformatics.
6. **Medical Writer/Communicator:** Women with strong communication skills can work as medical writers, creating content for scientific publications, regulatory documents, patient education materials, and more.
7. **Science Policy Analyst/Advocate:** Women can influence science and research policy by working with government agencies, non-profits, and advocacy organizations to shape regulations and funding decisions.

Report on Essay Writing Competition

The English department of Late B.S. Arts, Prof.N.G. Science & A.G. Commerce College organized an Essay Writing Competition with guidance of the Principal Dr. Nilesh Gawande. The competition was conducted on 10th of August, 2023 at 11.30 am. Students from all the faculties of science, arts and commerce enthusiastically participated. The medium of expression was English. A total 41 students participated in the Essay Competition. The competition encouraged young students to effectively express their thoughts in English on topic of general interest which were provided to them on the time. The essays were judged by the Head of the English Department Prof. Sudhir Jaunjal. He selected three essays as the winners of the competition namely:

- 1) Aaliya Tanzeem Jawed Khan (BSc-1st)- First Prize
- 2) Aniza Nusrat Sayyed Mushtaque(BA-2nd)- Second Prize
- 3) Harshal Baliram Sawadatkar(BCom-1st)- Third Prize

The winners of the competition were awarded certificates and prizes on 15th August, 2023 by the hands of the Principal of the college. All the participants were given participation certificates. Prof. S.R.Gawai, Prof.P.S.Shimbre and Prof.N.G.Chatarkar took the efforts for the success of the competition.

Brief information about the activity	<p>A Sadbhavana divas Birth anniversary of Rajiv Gandhi was organized by Dept. of Sociology on 20th August. 2023. Dr .C. S. Khodre Head Dept. of Mathematics was the chief Guest for the programme. He focused on Late Rajiv Gandhi's life and his contribution in the field of science & technology in our nation. Sadbhavana Divas, also known as Harmony Day, is an annual celebration observed in India on August 20th. This significant day commemorates the birth anniversary of Rajiv Gandhi, the former Prime Minister of India, and serves as a reminder of the importance of communal harmony, national integration, and social cohesion in a diverse and pluralistic society like India.</p>

Historical Context:

Rajiv Gandhi was a visionary leader who recognized the need to bridge the gaps that often arise from cultural, religious, and regional diversity. He believed that the progress and prosperity of a nation depended on its ability to maintain peaceful coexistence among its citizens. To honor his legacy and promote the values he held dear, Sadbhavana Divas was established as an annual event.

Mr. M. M. Murhekar, Head of Chemistry Department, Vivekananda Science College, Hiwara Ashram gave his valuable thoughts by concerning about the students association. He congratulated all the students who were selected in the Student Association. He gave advice for selected students that they should be loyal to their duties and carry out the responsibilities of student development through the various departments very honestly.

Mr. Sopan Chavhan, Head of Mathematics Department, Vyankatesh Science, Arts & Commerce College, Deulgaon Raja mentioned in his speech that student should study all the subjects of his/her respective branch of science in depth while pursuing graduation and achieve innovation in the field of research. And from the point of view, that the research obtained through us should benefit our coming generation and the society. The students should take steps and take guidance from the related professors.

Mr.Arvind Kanwate, Head of Physics Department, Vyankatesh Science, Arts & Commerce College Deulgaon Raja, expressed his thoughts in very wide angle. He told that, Students are always benefited from such associations to give scope to the latent qualities of the students and to awaken the feeling that 'we can do something' in the students by developing them intellectually and physically. And he also said that, that type of association are useful to get the participation of the students in various activities carried out through the college in this academic year.

Then the Inaugurator of the function Dr. Mahesh Tandale, Head of Zoology Department, Vyankatesh Science, Arts & Commerce College, Deulgaon Raja announced all departmental students association in very briefly. He congratulated to all the selected students for this association and they gave a suggestion to other students that don't be upset while not selecting in the various departmental association. He further said that the students selected for the association should not belittle their classmates and should take the initiative in their overall development and should complete all their education by keeping a balance through the department.

After all, the President of this association programme Dr. S. R. Dutonde, Head of Sociology Department LBSAC provides his valuable thoughts by giving the guideline about formation of the association. He told that, this association is only made for the overall development of the students through various departments. He mentioned the aim of the association very nicely. He told that, the association can be nurture the scientific temperament and attitude in the body of the students by carrying various developmental activities through various departments. He appreciated the dignitaries of various colleges present in the program and assured that the guidance provided by him for the development of the students will definitely be useful to the students.

Shri. N.K. Misal, Department of Physics, LBSAC were available for giving the vote of thanks & he thanked to all dignitaries were present on the dais & he also congratulated near about 186 students were available for the function to attaining & making the whole function successful.

Objectives:-

- 1) To developed the learning interest in the science field.
- 2) To motivate the students to take the participation in various activity carried out through the Botany department.
- 3) To motivate the students by giving the responsibility through this science association.

Outcome:-

- 1) Students were able to understand the importance of "Formation of Botanical Association".
- 2) Students were able to understand that, association may provide an opportunity for individuals to learn about different scientific disciplines, conduct experiments, and participate in various scientific activities
- 3) Students were able to get the importance of what to do to for developing our association.

Vote of Thanks

Shri. N. K. Misal, Department of Physics, were available for giving the vote of thanks & he thanked to all dignitaries were present on the dais & he also congratulated near about 186 students were present for the function to attaining & making the function successful.

Objectives:-

- 1) Mathematical associations aim to promote mathematics education at all levels, from elementary to advanced. This includes supporting teachers, developing curriculum materials, and organizing educational events.
- 2) It provides a platform for mathematicians to connect, share ideas, and build professional relationships. This can foster a sense of community and camaraderie among mathematicians.

Outcome:-

- 1) Students were able to understand the importance of "Formation of Mathematical Association".
- 2) Students were able to understand that, association may provide an opportunity for individuals to learn about different scientific disciplines and participate in various activities
- 3) One of the main outcomes is an improved quality of mathematics education at various levels. This could result in better-prepared students and a stronger foundation in mathematical concepts.

A Report on National Level Online Quiz on General Mathematics

The National Level Online Quiz on General Mathematics was an engaging and educational event organized by Department of Mathematics, Late. B. S. Arts, Prof. N. G. Science & A. G. Commerce College, Sakharkherda in Collaboration with Jijamata Mahavidyalaya, Buldhana. Held on 25/08/2023, the event aimed to promote mathematical knowledge, encourage learning, and provide a platform for participants from across the country to showcase their mathematical skills. The quiz was conducted entirely online, allowing participants to compete from the comfort of their homes. In the online quiz there were 112 students participated with huge response.

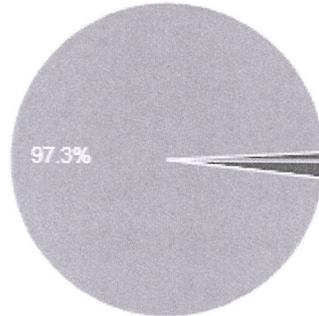

Mathematics is often referred to as the universal language, as it transcends borders, cultures, and disciplines. It plays a crucial role in our everyday lives and is the foundation of countless scientific and technological advancement. To celebrate the beauty and significance of mathematics, we are thrilled to introduce the "National Level Online Quiz on General Mathematics." This prestigious quiz is designed to bring together math enthusiasts, students, educators, and professionals from across the nation to showcase their mathematical prowess, learn, and engage in a healthy competition. Whether you're a seasoned mathematician or someone looking to test your math skills, this quiz offers an exciting platform for all.

भाषा ज्ञान, भावना व विचाराची वाहक असते - प्रा. अभिजीत वडाळकर गावंडे महाविद्यालयात भाषा अभ्यास मंडळाचे थाटात उद्घाटन

देशोन्नती वृत्तसंकलन...

दिव्यलता ही भाषा ही जगाच्याही वर्गाची, पंचाची, रंगाची, लिंगाची, सतीची जहागीरदारी नसते तर भाषा ही फक्त ज्ञान आणि भावना व विचाराची वाहक असते. जागतिकीकरणाच्या रेट्यात जगातील अनेक भाषा संपण्याच्या मार्गावर असून त्या समाजाच्या संस्कृतीचे दर्शन घडविणारी भाषा टिकवून ठेवण्याची जबाबदारी प्रत्येकाची आहे असे मत प्रा. अभिजीत वडाळकर यांनी व्यक्त केले. ते स्व. भारकरराव शिंगण कला, प्रा. नारायणराव गावंडे विज्ञान व आशाळता गावंडे वाणिज्य महाविद्यालयात भाषा अभ्यास मंडळाच्या उद्घाटन प्रसंगी उद्घाटक म्हणून बोलत होते.

महाविद्यालयाचे प्राचार्य डॉ. निलेश गावंडे यांच्या मार्गदर्शनात पडलेल्या या कार्यक्रमाच्या अध्यक्षस्थानी इतिहास विभाग प्रमुख डॉ. रवींद्र शनके उपस्थित होते. तर प्रमुख अतिथी म्हणून मराठी विभाग प्रमुख प्रा. मणेश काकडे, हिंदी विभाग प्रमुख डॉ. राजू पोपळकट, वाली व प्राकृत विभाग प्रमुख डॉ. राजेश चोरगार, व संस्कृत विभागाचे प्रा. विवेकी उपस्थित होते.

अध्यक्षीय मनोगत व्यक्त करताना डॉ. रवींद्र शनके यांनी मानवी विकासात

भाषेचे महत्त्वपूर्ण योगदान असून साहित्याच्या वाचनाने मानवाच्या संवेदनशीलतेमध्ये वाढ होऊन त्याच्या विचाराच्या कक्षा रुंदावतात. ग्रामीण भागातील विद्यार्थ्यांमध्ये प्रथंड समता असून साहित्याच्या वाचनाने त्यांच्या क्षमतांचा विकास होऊन संघर्ष करण्याची प्रेरणा निर्माण होत असते. आणि संघर्षाला प्रेरित करते तेच खरे साहित्य असल्याचे मत मांडले. प्रा. विवेकी यांनी साहित्य हा समाजाचा आरसा समाजातील सर्वत्र सव्यार्थाईट घटनांचे प्रतिबिंब साहित्यात पडलेले दिसून येते. संवेदनशील साहित्यिक ज्या समाजात जगतो त्या समाजाचे वास्तव तो शब्दबद्ध करतो असे

म्हणून त्यांनी साहित्याने सामाजिक वास्तवाची गांधी करामी असे मत व्यक्त केले.

कार्यक्रमाच्या प्रास्ताविकात प्रा. सविन गवई यांनी भाषा अभ्यास मंडळाच्या स्थापनेमागील उद्देश सांगून विद्यार्थ्यांच्या भाषिक विकासाच्या दृष्टीने भाषा अभ्यास मंडळ वर्षभर कार्यरत राहिले याची ग्वाही दिली. स्वसंचालन डॉ. सागर गवई यांनी केले. तर आभार कु सारिका इंगळे हिने मानले. कार्यक्रमाचा महाविद्यालयातील प्रा. प्रवीण शिंदे, प्रा. निलीन चतरकर यांना अभ्यास मंडळाचे विद्यार्थी उपस्थित होते. भाषा कुणाची जहागीरदारी नसून ज्ञान, भावना व विचाराची वाहक असते - प्रा. अभिजित वडाळकर गावंडे महाविद्यालयात भाषा अभ्यास मंडळाचे थाटात उदघाटन

साखरखेडां (प्रति): भाषा ही कोणत्याही घर्मांची, पंथाची, रंगाची, लिंगाची, सत्तेची जहागीरदारी नसते तर भाषा ही फक्त ज्ञान आणि भावना व विचाराची वाहक असते. जागतिकीकरणच्या रेट्यात जगातील अनेक भाषा संपण्याच्या मार्गावर असून त्या- त्या समाजाच्या संस्कृतीचे दर्शन घडविणारी भाषा टिकवून ठेवण्याची जबाबदारी प्रत्येकाची आहे असे मत प्रा. अभिजित वडाळकर यांनी व्यक्त केले. ते स्व. भास्करराव शिंगणे कला, प्रा. नारायणराव गावंडे विज्ञान व आशासनात गावंडे वाणिज्य महाविद्यालयात भाषा अभ्यास मंडळाच्या उदघाटन प्रसंगी उदघाटक म्हणून बोलत होते. महाविद्यालयाचे प्राचार्य डॉ. निलेश गावंडे यांच्या मार्गदर्शनात पार पडलेल्या या कार्यक्रमाच्या अध्यक्षस्थानी इतिहास विभाग प्रमुख डॉ. रवींद्र झनके उपस्थित होते. तर प्रमुख अतिथी म्हणून मराठी विभाग प्रमुख प्रा. गणेश काकडे, हिंदी विभाग प्रमुख डॉ. राजू पोपळघट, पाली व प्राकृत विभाग प्रमुख डॉ. राजेश चौरपगार, व संस्कृत विभागाचे प्रा. व्दिवेदी उपस्थित होते. पुढे बोलतांना त्यांनी महाविद्यालयाचे प्राचार्य डॉ. निलेश गावंडे यांनी श्रमीण भागातील या महाविद्यालयात विद्यार्थ्यांच्या सर्वांगीण विकासासाठी अत्यावश्यक सुविधा निर्माण केलेल्या असून विद्यार्थ्यांनी त्यांचा जास्तीत जास्त लाभ घेऊन आपले जीवन समृद्ध करावे. असे म्हणून त्यांनी मानवी विकासक्रमात भाषेची भूमिका व महत्व स्पष्ट केले. अध्यक्षीय मनोगत व्यक्त करतांना डॉ. रवींद्र झनके यांनी मानवी विकासात भाषेचे महत्वपूर्ण योगदान असून साहित्याच्या वाचनाने मानवाच्या संवेदनशीलतेमध्ये वाढ होऊन त्याच्या विचाराच्या कक्षा रुंदावतात. श्रमीण भागातील विद्यार्थ्यांमध्ये प्रचंड क्षमता असून साहित्याच्या वाचनाने त्यांच्या क्षमतांचा विकास होऊन संघर्ष करण्याची प्रेरणा निर्माण होत असते. आणि संघर्षाला प्रेरित करते तेच खरे साहित्य असल्याचे मत मांडले. प्रा. व्दिवेदी यांनी साहित्य हा समाजाचा आरवा समाजातील सर्वच बऱ्यावाईट घटनांचे प्रतिबिंब साहित्यात पडलेले

दिसून येते. संवेदनशील साहित्यिक ज्या समाजात जगतो त्या समाजाचे वास्तव तो शब्दबद्ध करतो असे म्हणून त्यांनी साहित्याने सामाजिक वास्तवाची मांडणी करावी असे मत व्यक्त केले. कार्यक्रमाच्या प्रास्ताविकातून प्रा. सचिन मवई यांनी भाषा अभ्यास मंडळाच्या स्थापनेमागील उद्देश सांगून विद्यार्थ्यांच्या भाषिक विकासाच्या दृष्टीने भाषा अभ्यास मंडळ वर्षभर कार्यरत राहील याची ग्वाही दिली. सूत्रसंचालन डॉ. सागर मवई यांनी केले. तर आभार कु. सारिका इगळे हिने मानले. कार्यक्रमाला महाविद्यालयातील प्रा. प्रवीण शिवरे, प्रा. नितीन चतुर्कर भाषा अभ्यास मंडळाचे विद्यार्थी उपस्थित होते.

Report on Hindi Day

Date. 14 Sept.2023

Late Bhaskarrao Shingane Arts, Prof. Narayanrao Gawande Science & Ashalata Gawande Commerce College, Sakharkherda, under the guidance of Principal Dr. Nilesh Gawande, celebrated Hindi Day. The President of the function was Dr.S.S.Gawai, Marathi Department and Asst.Prof.Pravin Shimbre , English Department, was the chief guest. Dr.R.V. Popalghat, Head of the Hindi Department, in his introductory speech, informed about the importance of Hindi language and how it should be promoted. The chief guest, Shimbre Sir, explained the importance of the language. In the presidential speech Dr.S.S.Gawai said that Hindi language was taught since historical times. By asserting the importance of the language, he said that there is a need to promote and spread the national language. Students also acknowledged the essentiality of the Hindi language. All the teachers, non-teaching staff and students of the college were present for this function. The Hindi Day program was concluded by reciting few famous Hindi poems.

Guest Lecture Report

Department of Mathematics, Late. B. S. Arts, Prof. N. G. Science & A. G. Commerce College, Sakharkherda was organized guest lecture on **Analytic Function & Cauchy Riemann Equations** for the Dept. of Mathematics students given by Mr. Sopan J. Chavhan, Shri. Vyankatesh Art's, Commerce and Science College, Deulgaon Raja, Dist- Buldhana on dated 15 September 2023. There were 83 students were present for this guest lecture. The main aim of this lecture was to develop the students interest in Analytic function and C. R. Equations. The guest lecture on "Analytic Function and Cauchy-Riemann Equations" was a highly informative and enlightening session that provided a deep insight into the fundamental concepts of complex analysis. Dr. C. S. Khodre welcomes Chavhan Sir by giving bouquet. Miss. Pooja Kele express the vote of thanks.

The lecture began with an overview of analytic functions, also known as holomorphic functions or complex-differentiable functions. The key points covered in this lecture definition of Analytic function, properties of Analytic functions, Cauchy-Riemann Equations, Geometric Interpretation, Applications etc.

The guest lecture on Analytic Functions and Cauchy-Riemann Equations provided an in-depth exploration of these fundamental concepts in complex analysis. Chavhan Sir did an excellent job of elucidating the theory, applications, and significance of analytic functions and the Cauchy-Riemann equations. The knowledge gained from this lecture will undoubtedly benefit students, researchers, and professionals in various scientific and engineering disciplines.

Outcome: The Students cleared their ideas about complex variable. They lodged their active participation by raising questions. It showed their curiosity to grasp the information of the topic. It comes to know that the organization of guest lecture encourages them to gather extra knowledge of the subject. It also helps them to develop interest in functions of complex variables.

Report on Women's Economic Development Workshop

Workshop Report on Women's Economic Development Workshop organized by department of commerce The event was inaugurated by Prof. S. G. Sagane In Her speech he said that female economic power also enhances the "wealth and well-being of nations." Women who control their own income tend to have fewer children, and fertility rates have shown to be inversely related to national income growth. Women are also more able - and generally more willing than male counterparts - to send daughters as well as sons to school, even when they earn less than men. In turn, a woman's level of education affects her decision-making process when it comes to questions about contraception, age of marriage, fertility, child mortality, modern sector employment and earnings. Dr. A. S. Ghayal informed to the students women's economic empowerment must not be examined in a vacuum. Unfortunately, widespread cultural and economic practices.

There were around 50 students from the B.Com program participated and benefited from the workshop and the learning outcomes of the work shop were how to manage their personal finances, how to make portfolio investments to avoid financial losses due to various macro and micro environmental factors and market structure, importance of savings, knowledge about trading and equities, bonds, debentures and other instruments and The ultimate goal is to promote gender equality and reduce economic disparities between men and women.

Report on Anagarik Dhammapala Jayanti

Report:

The 159th birth anniversary of Anagarika Dhammapala was celebrated as "Pali Language Glory Day" which concluded under the guidance of College Principal Dr Nilesh Gawande. Dr. R. V. Popalghat presided over the program Dr. Anilkumar J. Dwivedi and Ku. Ragini R Tapadiya, were the chief guests.

On this occasion, Dr. R. V. Popalghat, says, Anagarika means one who renounces his home for the Dhamma without wearing a veil, without samsara. Anagarika Dhammapala made efforts for the revival of Buddhism and the preservation of the Pali language. He wrote about the state of disrepair of Mahabodhi Mahavihara in many newspapers of the world. Therefore, there was a global discussion about the status of the Mahavihara at Buddha Gaya. While bowing down before Buddharupa in the Mahabodhi Mahavihara, he firmly resolved that he would not return home until the Mahabodhi Mahavihara came under the control of the Buddhists and would continue this fight till his last breath. Anagarik Dhammapal's work was noticed globally.

From the introduction, Dr. Rajesh Chaurpagar says, Anagarika Dhammapala visited many schools and colleges to promote Pali language in India and explained the importance of Pali language. He traveled the world for the spread of Buddhism and the Pali language accordingly. The vote of thanks was given by Dr. S. R. Dutonde the program was attended by teachers and students of the college.

NSS Day**

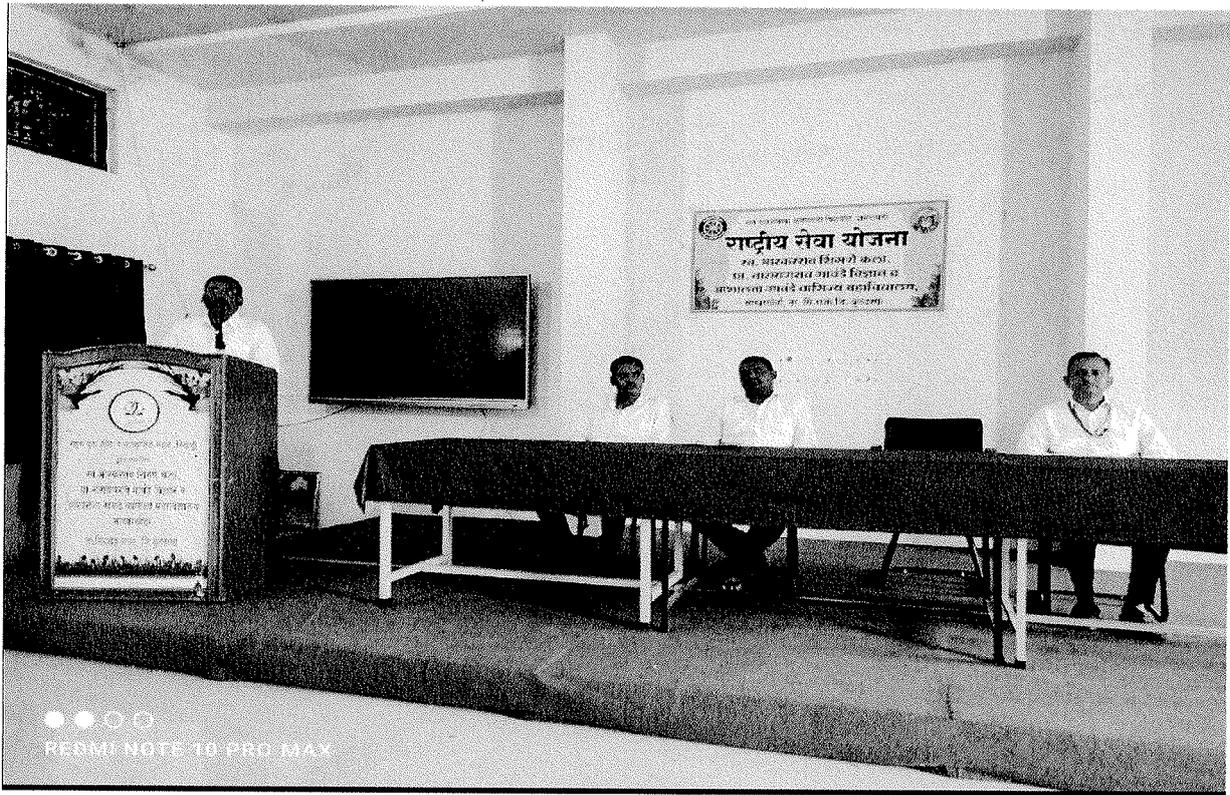

The **NSS Day** was celebrated in the college on 25th of September 2023. The president of that program was present on the dais, Assistant Prof. Mr.G.D.Kakade. He addressed the students on this occasion of the NSS day. He mentioned lots of point which are useful to make students aware that National Service Scheme creates tomorrow's ideal citizens by inculcating the moral values in them. It is the ground which promotes skills in the students and motivate them to participate in nation building activities. Few students also interacted with Dr. S.R. Dutonde, Head of Sociology Department, and he answered their queries and quenched their thirst about the NSS program.

Report:

On 12th October 2023, Department of Hindi organized Seminar Competition. It was conducted on the topic "Bahu ki Vida" It is a book written by Vinod Rastogi. The One Act Play Bahu Ki Vida is based on the lives of people in today's society who consider their daughters-in-law as daughters but do not give them the same rights as their daughters. When it comes to entitlement in one act, Jeevanlalji sends his son to bring his daughter home from her in-laws' house on the occasion of Rakhi. On the other hand, when his own daughter-in-law's brother comes, he does not send his daughter-in-law just because the longing for dowry inside him has not ended. When his daughter also does not get chance to come from her in-laws house because of dowry, then Jeevanlalji's eyes open and he then extricates himself from the differences between daughter and daughter-in-law. In this way, the writer has given the message of considering daughter and daughter-in-law as equal. The students who participated in this competition delivered their seminar and expressed their views on the central theme of the one act play.

Report on Guest Lecture on Stereochemistry

Date: 18-10-2023

Place: Seminar Hall, Time: 11:30 am

Beneficiaries: UG/PG/Research Students/ Faculty members

Resource Person: Dr. G. D. Thorat, Assistant Professor, Department of Chemistry, Shri Shivaji Arts, Commerce and Science College, Chikhli, dist. Buldhana

Introduction:

On 18-10-2023, a guest lecture on the topic of "Stereochemistry" was conducted for undergraduate and postgraduate students at Late B.S. Arts, Prof N.G. Science and A.G. Commerce College, Sakharkherda. The lecture was organized by the Department of chemistry and aimed to provide students with an in-depth understanding of the fundamental principles of stereochemistry and its applications in various fields of chemistry.

Details of Guest Lecture:

The guest lecturer for the event was Dr. G. D. Thorat, a renowned expert in the field of stereochemistry. Dr. G. D. Thorat, Assistant Professor, Department of Chemistry, Shri Shivaji Arts, Commerce and Science College, Chikhli, dist. Buldhana has a distinguished career in both academia and industry. The presence of such an esteemed speaker added great value to the event. The lecture was attended by a diverse audience comprising undergraduate and postgraduate students. The total attendance numbered approximately 78, which demonstrated the significant interest in the topic among students.

The guest lecture on stereochemistry covered a wide range of topics, including:

1. **Introduction to Stereochemistry:** The lecture began with an overview of stereochemistry, highlighting the importance of studying the spatial arrangement of atoms in molecules.

- 2. Chirality and Enantiomers:** The concept of chirality and the distinction between enantiomers were explained, with practical examples to help students grasp these fundamental concepts.
- 3. Stereoisomerism:** Different types of stereoisomerism, such as geometrical isomerism and optical isomerism, were discussed in detail. This section included an in-depth exploration of cis-trans isomerism and R/S nomenclature.
- 4. Chiral Molecules in Nature:** The guest lecturer elaborated on the significance of chirality in biological molecules, emphasizing how it affects the interactions between drugs, enzymes, and biomolecules.
- 5. Applications in Organic Synthesis:** The practical applications of stereochemistry in organic synthesis and drug design were explored, showcasing real-world examples.
- 6. Experimental Techniques:** The lecture also touched upon various experimental techniques used in stereochemical analysis, such as polarimetry, chiral chromatography, and NMR spectroscopy.
- 7. Case Studies:** The lecture concluded with engaging case studies and research examples that highlighted the role of stereochemistry in drug development, asymmetric synthesis, and the design of chiral catalysts.

Following the lecture, a question-and-answer session was held, allowing students to clarify doubts and engage in a productive discussion with the guest lecturer. This interactive segment facilitated a deeper understanding of the subject matter and encouraged critical thinking.

Conclusion and Future Endeavors:

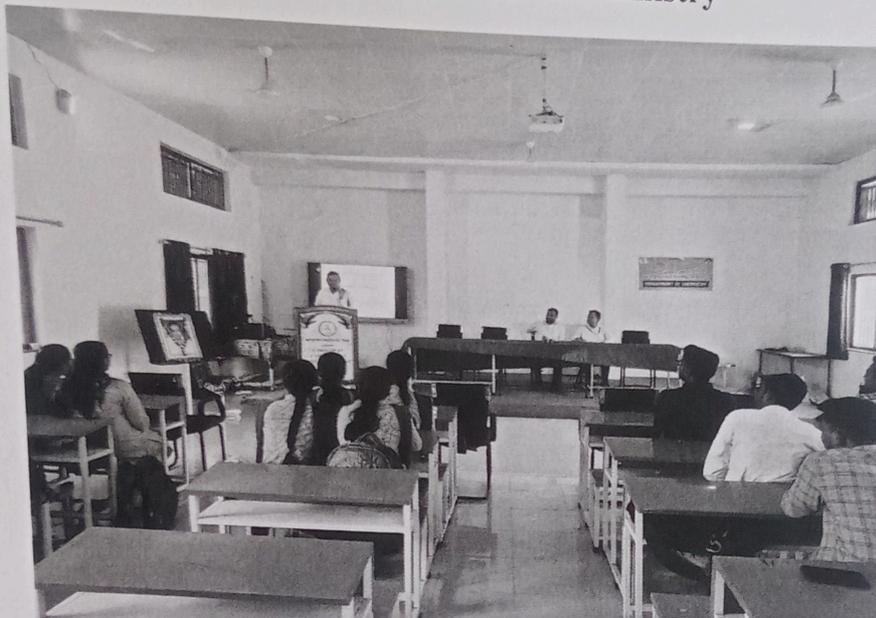

The guest lecture on stereochemistry was a resounding success, providing students with a comprehensive understanding of this important field of chemistry. The knowledge and insights gained during the lecture are expected to greatly benefit the students in their academic and research endeavors. We extend our heartfelt thanks to Dr. G. D. Thorat for delivering an enlightening and engaging lecture. We also express our gratitude to the students and faculty members who attended the event and made it a success. In the future, we aim to organize more such guest lectures, workshops, and events to further enhance the knowledge and skills of our students and promote a culture of continuous learning.

Report on Essay Writing Competition

An essay is a piece of reflections and observations of daily life. Essay competitions in educational institutes can be used to create better ideas or solutions to real life problems by using energy and creativity of youthful minds of students. Late Bhaskarrao Shingane Arts, Prof. Narayanrao Gawande Science and Ashalata Gawande Commerce College used this thought and held Essay Writing Competition on the contemporary issues in the festive season under the guidance of the Principal Dr. Nilesh Gawande.

The competition was conducted on 18th of October, 2023 at 11.30 am in seminar hall of the college. 52 students participated in it. They were provided with three topics to choose any one from Celebrating Eco friendly festivals, Environmental Pollution in Festivals and Solutions, Healthy Festivals-Demand of the Time. The medium of expression was English, Hindi and Marathi. The competition encouraged young students to express their views and find practical yet unique suggestions for celebrating festivals while caring for nature and its resources. It also helped the students to understand their perspective on how urban infrastructure can be developed in a sustainable manner. In all, the competition aimed at the expression of creativity and passion of youth for finding innovative solutions to better the environment. The department of English took the efforts for the success of the competition. The students selected as winners of the competition were:

- 1) Ashwini Suresh Chandore (BA-2nd)
- 2) Aditya Bhagwan Kharat (BSc-1st)
- 3) Priti Gautam Gawai (BA-1st)

Report on National Mathematics Day

National Mathematics Day is celebrated in India on 22 December every year. It marks the birth anniversary of legendary mathematician Srinivasa Ramanujan. The day is celebrated to honor the immense contribution of the mathematician in the field of mathematics. It is celebrated to spread the awareness of mathematics among students and to motivate them to learn more about this subject. It is also celebrated to inspire students to take up mathematics as a profession. The day was officially declared as National Mathematics Day by the Government of India in 2012. The primary objective of celebrating National Mathematics Day is to recognize and promote the importance of mathematics in various fields and to honor the legacy of Srinivasa Ramanujan. Activities and events organized on National Mathematics Day often include seminars, workshops, lectures, and mathematical competitions. These events aim to create awareness about the significance of mathematics in education, research, and everyday life. Additionally, they encourage students and the general public to appreciate the beauty and utility of mathematics.

The president of the program Dr. R. P. Zanke Head Dept. of History says that it is easy to live the life with the help of Mathematics, Dr. P. R. Mahalle, Head Dept. of Chemistry, Dr. S. R. Dutonde, Head Dept. of Sociology, Dr. V. R. Panse IQAC, Coordinator as a guest of honor. This program was organized by Department of Mathematics, Late. B. S. Arts, Prof. N. G. Science & A. G. Commerce College, Sakharkherda. Dr. C. S. Khodre gives introductory Speech and says the day is an opportunity to inspire and motivate students to pursue careers in mathematics and related fields. Recognizing and celebrating the contributions of mathematicians like Ramanujan can instill a sense of pride and enthusiasm for the subject. Dr. S. S. Gawai anchored the program and Dr. Rajesh Chaurpagar express the vote of thanks. For this program 90 students were present.

Outcome: Celebrating National Mathematics Day is a great way to encourage students to appreciate the importance of mathematics in everyday life. It is also a chance to recognize the contributions of mathematicians and their work. The outcome of celebrating National Mathematics Day is an increased interest in the subject and a greater appreciation of the value of mathematics in our lives.

आयुष्य सोपे करते, ते गणित : डॉ. झनके

► सकाळ वृत्तसेवा

चिखली, ता.२२ : मानवाने तंत्रज्ञानात जबरदस्त प्रगती केली आहे. ज्यायोगे जीवन कमालीचे सुखासीन बनले आहे, त्याच्या पायाशी गणितच आहे. गणिताशिवाय तुम्ही काहीही करू शकत नाही. आपल्या सभोवतालची प्रत्येक गोष्ट गणित आहे. आपल्या सभोवतालची प्रत्येक गोष्ट एक संख्या आहे. आपला सभोवताल गणिताने व्यापलेला असून मानवी जीवनात गणिताचे अनन्यसाधारण महत्त्व आहे. आयुष्य सोपे-सुरळीत करते, ते गणित ! असे मत इतिहास विभागप्रमुख डॉ. रवींद्र झनके यांनी व्यक्त केले.

ते स्व.भास्करराव शिंगणे कला, प्रा. नारायणराव गावंडे विज्ञान व आशालता गावंडे वाणिज्य महाविद्यालय येथे राष्ट्रीय गणित दिनानिमित्त प्राचार्य डॉ. निलेश गावंडे यांच्या मार्गदर्शनात आयोजित कार्यक्रमाच्या अध्यक्षस्थानावरून बोलत होते.

चिखली: उपस्थितांना मार्गदर्शन करताना मान्यवर.

कार्यक्रमाला प्रमुख अतिथी म्हणून भौतिकशास्त्र विभागप्रमुख डॉ. विशाल पानसे, रसायनशास्त्र विभागप्रमुख डॉ. प्रशांत महल्ले व समाजशास्त्र विभागप्रमुख डॉ. श्याम दुतोंडे उपस्थित होते. याप्रसंगी गणितज्ञ रामानुजन यांच्या प्रतिमेचे पूजन करून उपस्थित मान्यवरांनी त्यांच्या जीवन व कार्यावर प्रकाश टाकला. प्रास्ताविक गणित विभागप्रमुख डॉ.चंद्रकांत खोद्रे यांनी

केले. सूत्रसंचालन डॉ. सागर गवई यांनी केले तर आभार डॉ. चौरपागार यांनी मानले. याप्रसंगी महाविद्यालयातील सर्व प्राध्यापक, गणित विभागाच्या पदवी व पदव्युत्तर विभागाचे विद्यार्थी उपस्थित होते. गणितदिनाचे औचित्य साधून विभागामार्फत राज्यस्तरीय घोषवाक्य स्पर्धा व प्रश्नमंजुषाचे आयोजन करण्यात आले. त्याला विद्यार्थ्यांचा उत्स्फूर्त प्रतिसाद लाभला.

Outcome: The outcome of organizing an online quiz on Quotes by Mathematicians for students to celebrate National Mathematics Day would likely be positive. It would be a great way for students to learn about the history of mathematics, to appreciate the works of great mathematicians, and to gain a better understanding of the subject. It would also be a fun and engaging way to celebrate the day and to show appreciation for the work mathematicians have done throughout history.

Orientation program for Students

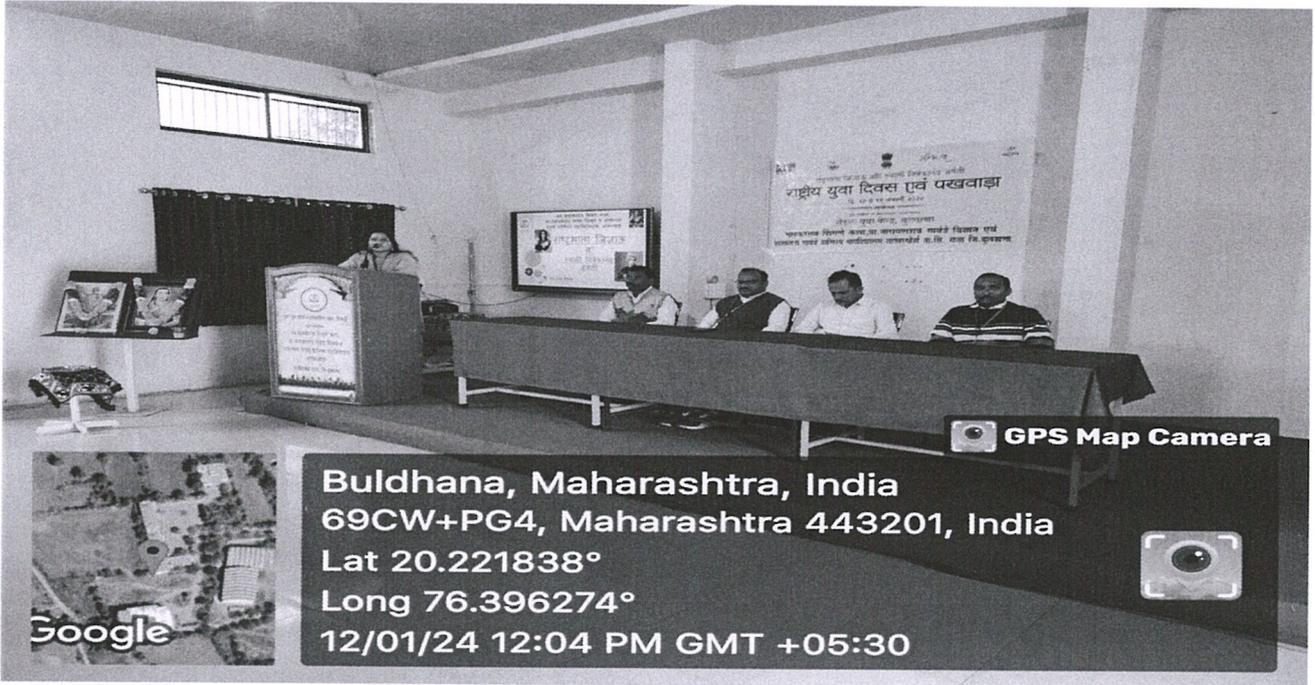

Report :

On 12th January 2024, Student Grievance Redressal Committee organized Orientation Program for Students. As in the first session, a student Orientation Program was conducted under the guidance of committee chairman Dr. N. N. Gawande at the seminar hall of the college with the aim of making the students aware of the college grievance redressal committee in the second semester. The students were told how the committee works. Dr. A. G. Barde also gave detailed information to the students about how they can register a complaint if a student has a complaint and where is the grievance redressal box installed in the college and how can students lodge their grievances in that box. This was also reported. The program was chaired by Dr. A. G. Barde and all the members of the committee were present in the program. 71 students attended the awareness program of this Grievance Committee. The program was moderated by Ms. Ragini Tapadia Madam and vote of thanks was given by Dr. AB Ghukshe.

Birth Anniversary of Shivaji Maharaj

The NSS unit organized Birth Anniversary Programme of Shivaji Maharaja in seminar hall of the college. Dr. R. P. Zanke addressed the student about the qualities of Shivaji Maharaj. He insisted students to learn about qualities the great leader put forth for the next generation and make it a part of their daily life. Students enthusiastically participated in the program and delivered speeches and sang songs of Shivaji Maharaj showing his tactics and tricks. Many students asserted that they follow Shivaji Maharaj legacy and he is an ideal for them. Also they assured the teachers to take lessons from the history to create better future.

Report on

Workshop on Research Methodology: Introduction and concept of Plagiarism

Date: 13-03-2024

Venue: Seminar Hall

Introduction:

Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed. To introduce and promote Research Methodology and to inculcate concept of Plagiarism across various disciplines, Research Monitoring Committee and P. G. Department of Chemistry in Association with RAC of PhD Research Centres in Zoology, Mathematics and Chemistry together organized '**One Day Workshop on Research Methodology: Introduction and concept of Plagiarism**' for the Faculty members, Research Scholars, UG and PG students on 13th March 2024 at 11:00 am. The workshop on Research Methodology commenced with an introduction to the fundamental principles and techniques essential for conducting effective and ethical research. The primary objective was to equip participants with the necessary skills and knowledge to navigate the research process successfully.

Inaugural function and sessional interactions:

The workshop commenced with opening remarks from Dr P. R. Mahalle, Supervisor RAC and Head Department of Chemistry emphasizing the relevance of Research Methodology and Plagiarism in fostering new ideas, creativity, and ensuring a fair conclusive environment. Participants were encouraged to actively engage in the sessions and discussions. Dr. C. S. Khodre, Head Department of Mathematics, delivered an enlightening keynote address, stressing the crucial role of Research in the current scenario.

Dr. R. P. Zanke, Supervisor RAC and Head Department of History, in the first session provided a comprehensive overview of research methodology, emphasizing the significance of a systematic and structured approach. Key topics were covered and included the research process, formulation of research questions, literature review, research design, and data collection methods. An overview of common citation styles, such as APA, MLA, and Chicago, was presented to participants. Understanding the importance of adhering to specific citation guidelines was emphasized to ensure the accurate attribution of ideas and information.

In the second session of the workshop, Dr. V. R. Panse Coordinator IQAC, Supervisor, RAC & Head, Dept of Physics, expressed the concept of plagiarism. Participants were introduced to the definition of plagiarism as the act of using someone else's work or ideas without proper attribution. The session highlighted the ethical implications and potential consequences of plagiarism in academic and professional settings. The workshop elucidated various forms of plagiarism, ranging from direct copy-pasting to paraphrasing without proper citation. Participants engaged in interactive discussions and case studies to enhance their understanding of what constitutes plagiarism and how to avoid it.

Case Studies and Success Stories and Q&A Session:

To reinforce the concepts learned, the workshop incorporated interactive activities, including group discussions, case studies, and hands-on exercises. Participants had the opportunity to apply their knowledge of research methodology and plagiarism prevention in practical scenarios.

The workshop concluded with a question-and-answer session, allowing participants to seek clarification on any doubts or concerns related to research methodology and plagiarism. This session fostered active engagement and ensured that participants left with a solid understanding of the topics covered.

Closing Remarks and Conclusion:

The chairperson of the Workshop Dr. P. R. Gaikwad, Head of the Department and Supervisor RAC in Zoology, expressed gratitude for organizing the workshop and encouraged the participants by assuring valuable platform for knowledge exchange and networking. During concluding remarks Dr. Gaikwad said, the workshop provided practical strategies to prevent plagiarism, including proper citation methods, paraphrasing techniques, and the use of plagiarism detection tools. Participants were encouraged to adopt good research practices, such as keeping meticulous records of sources and citing them accurately.

The workshop on Research Methodology and Plagiarism was a success in providing participants with a foundational understanding of research principles and the importance of maintaining academic integrity. The gained knowledge will undoubtedly contribute to the enhancement of their research skills and ethical conduct in future academic and professional endeavors.

REPORT ON WORKSHOP ON RESEARCH METHODOLOGY

The Late B. S. Arts, Prof. N. G. Science and A. G. Commerce College, Sakharkherda Department of Sociology organized a one-day Workshop on Research Methodology on 13th of March, 2024. The Workshop was organized for B. A. M. A. students. The Workshop was broadly based on following themes – Research Methodology: general aspect; Research Methods Research Methodology and An Introduction to Legal Research. The workshop was divided into two sessions. The first session started at 10:00 am and was compared by Dr. P. R. Mahalle (Co Ordinator, Research Monitoring Committee). Dr. C. S Khodre, Head Department of Mathematics and Dr. V. R. Panse, Coordinator IQAC were the resources persons for the program. After the felicitation of the guests, Dr. S. R. Dutonde, Head Department of Sociology gave the welcome address. Dr. P. R. Mahalle was the resource person for the first session. First session began at 11:00 am. Dr. Mahalle spoke on the topic - 'Legal Research in India - Contemporary trends and the way forward'. He introduced the students to the basics of research, its importance and its contemporary relevance. Dr. Mahalle further exhaustively put forth the Do's and the Dont's of research. Further, he also gave an insight to the students on the concept of Plagiarism and encouraged students to strive for originality in research. His discourse was well received by the students, who in turn put across number of queries which were enthusiastically dealt with by Dr. Mahalle in the interactive session that followed the lecture. The session concluded at 12:40 pm and Dr. S. R. Dutonde proposed the vote of thanks for the session. The second session began at 1:45 pm in the Seminar Hall. Dr. S. R. Dutonde compared the session. Dr. V. R. Panse was the resource person for the second session. He introduced the students to the nuances of research. Dr. Panse informed the students about the various types of research, hypotheses, formulation of hypothesis and research problem amongst other things. He exhaustively dealt with the comparison between empirical research and doctrinal research. The lecture was followed by an interactive session where the students' queries were effectively answered by the resource person. The session concluded at 2:15 pm and the vote of thanks was proposed by Dr. S. R. Dutonde.

**A Report on Online Quiz on the occasion of International Mathematics Day
and Pi(π) Day**

Department of Mathematics, Late. B. S. Arts, Prof. N. G. Science & A. G. Commerce College, Sakharkherda in collaboration with Jijamata Mahavidyalaya, Buldana was organized Online Pi(π)-quiz on the occasion of International Mathematics Day on dated 14 March 2024. In the online quiz there were 129 students participated with huge response. The main aim is to explore the information about Mathematical constant Pi(π) through this online quiz among the students and to gain some extra knowledge in era of Mathematics world. Pi(π) Day is an important celebration that promotes interest in mathematics and science and encourages students to engage with these fields in a fun and creative way. The program aimed to cultivate a deeper interest in mathematics among students and enthusiasts worldwide. The online quiz organized on the occasion of International Mathematics Day and Pi (π) Day was a resounding success, achieving its objectives of engaging a audience in a meaningful celebration of mathematics. The high level of participation and positive feedback from participants underscore the universal appeal of mathematics and the significance of Pi in our understanding of the world. We are inspired by the outcomes of this event and are committed to organizing more initiatives that promote the joy and importance of mathematics in the future.

Outcome: The outcome of organizing an online Pi(π)- quiz for students to celebrate International Mathematics Day and mathematical constant Pi would likely be positive. It would be a great way for students to learn about the history of Pi(π), to appreciate the works of great mathematicians, and to gain a better understanding of the subject. It would also be a fun and engaging way to celebrate the day and to show appreciation for the work mathematicians have done throughout history.

World Consumer Day Celebration: A Report

Report:

Department of Commerce has celebrated World Consumer Day on 15th March 2023 under the guidance of Principal Dr. N.N. Gawande. Asst. Prof. Dr. R. P. Kitke has given introductory speech. Asst. Prof. & Head Dept of Commerce Dr. P. P. Thakare has explained meaning of Consumer and how aware of buying product is important for human being. He commented that student should be alert, creative and sensible.

Dr. S. S. Gawai Asst. Professor, Dept of Marathi in his presidential speech he said that the world moving towards a digital economy and e-commerce transforming the market, there are many issues and challenges that consumers are facing. Therefore, it is important to ensure that the digital marketplaces are fair and secure and consumers know how to remain safe on the digital platform and where make complaint if things go wrong.

Dr. A. S. Ghayal Asst. Professor Dept. of Commerce gave a detailed guideline on "Staying Safe in a Digital World". He spoke about the ways by which one could protect themselves from digital frauds, i.e., by using strong passwords, downloading applications from trusted sources, keeping the device clean, avoiding scam messages, locking screen using the pin, password, etc.

Asst. Prof. Dr. A. B. Ghukse has performed anchoring in the program and Ku. Shruti Rajput, student of B.COM III has given vote of thanks. So many students and teaching faculty were present for the program.
